At Each Airshow With The Inscription On The Upper Wing:
“Just because something is hard doesn't mean I can't do it!”
- Unsolicited Comments:

“Your performance, as always, was spectacular and a crowd pleaser”
John Bagley – Legacy Flight Museum
Owner/Pilot of P-51 Mustang “*Ole Yeller*”

“Danny Sorensen is a true gentleman and a class act. His aerobatic performance with high winds and a field density altitude of 9,200 feet was spot on and beautiful”
Kurt Johnson – Pilot/Spectator - Evanston, WY, Airshow

*“Hello Danny, this is Parker M.. I was just saying thank you for the model!
Please come again next airshow. Thanks!”*
Email from 11-year old model recipient who plans to be an airline pilot
